تعليمات الاستدراج		
ختم وتوقيع المورد:		
** آخر موعد لتسليم العروض هو يوم:	الأحد	
** الموافق:	31/12/2023	
** طبيعة البنود المطلوبة:	اجهزة طبية	
** بعملة:	شيقل	
** الأسعار تشمل النقل من "	حرم رام الله	
** يرجى إرسال العرض ب:	بالظرف المغلق	

شروط الاستدراج:	
** ضرورة تحديد مدة الكفالة إن وجدت.	
** ضرورة تحديد مدة التوريد من تاريخ استلام امر الشراء، و في حال عدم الالتزام يتم فرض غرامة تأخير.	
** ختم وتوقيع المورد المعتمد على هذا النموذج، وكتابة رقم الاستدراج واسم الشركة كما هو مسجل لدى الضريبة على الظرف.	
** للمراجعة والاستفسار بخصوص المواصفات يرجى الاتصال على هاتف 022941999 رقم داخلي 1910	
** للمراجعة والاستفسار بخصوص المواصفات عن طريق بريد الكتروني Rasha.kmail@aaup.edu

Item #1: Steam sterilizer (Autoclave)

Brand name.

3 years warranty, 10 years availability of spare parts.

Origin: Brand name USA, EURO, Japan

Autoclave Type: Tabletop

Chamber Volume: Approximately 20 liters

Sterilization Methods:

- Steam sterilization (autoclaving)

Control System:

- Advanced microprocessor-based control system
- Programmable sterilization cycles
- User-friendly interface with a digital display

Sterilization Cycles:

- Predefined cycles for different types of loads (e.g., wrapped instruments, porous loads)
- Customizable cycle parameters (time, temperature, pressure)
- Efficient and rapid sterilization cycles

Chamber Construction:

- High-quality stainless steel construction
- Corrosion-resistant interior and exterior

Chamber Door:

- Secure locking mechanism to prevent unauthorized access during operation
- Automatic door locking during the sterilization cycle
- Safety interlock to prevent opening when pressure and temperature are present

Pressure and Temperature Control:

- Precise pressure and temperature control for effective sterilization
- Temperature range: [121-134]°C
- Pressure range: 15 psi to 30 psi (1.03 bar to 2.07 bar)

Safety Features:

- Overpressure protection with a safety relief valve
- Dual safety thermostats to prevent overheating
- Audible and visual alarms for abnormal conditions

Water Supply:

- Built-in water reservoir or external water supply
- Automatic water filling and draining systems (preferred)
- Water level sensor for Insufficient water detector in chamber or reservoir

Drying Function:

- Post-sterilization drying cycle with adjustable time and temperature settings

Data Logging:

- Capability to record and store sterilization cycle data
- USB port for data retrieval and transfer

Power Supply:

- Voltage: [220-230] V
- Frequency: [50-60] Hz

Certifications:

- Compliance with relevant international standards (e.g., ISO, CE)
- Calibration certificate for temperature and pressure

Accessories Included:

- Stainless steel sterilization racks
- Trays for load placement
- Waste collection system
- Cleaning material for cleaning of internal chamber and reservoir tank (enough to 10 run cycles)
- With one back biological indicator (enough to 10 run cycles)

السعر يشمل التوريد والتركيب ويجب أن يتم توضيح جميع متطلبات التركيب في عرض السعر من مساحة وملحقات ومتطلبات

The price includes installation with application training on-site.	Yes/No	
Complete and Ready to use with all accessories.	Yes/No	
10 years availability for spare parts.	Yes/No	
Date of manufacture not less than 2023.	Yes/No	
في حال وجود أية قطعة ضرورية لتشغيل الجهاز غير موضحة يرجى ذكرها وتوضيحها في العرض غير ذلك تعتبر الشركة بتحمل وجود أية نواقص	Yes/No	

Item #2: Thermal Sealer machine:

Brand name.

3 years warranty, 10 years availability of spare parts.

Origin: USA, EURO, Japan

- * Simple.
- * Sealing band width: 400 mm.
- * Overheat protection.
- * With cutting blade.
- * Power: 700 w / 220- 240 V.

يجب تعبئة الجدول بالأسفل بالإضافة الى تقديم عرض الشركة التقني

<u>Thermal Sealer machine</u>	Compliance Yes / No (if not put your comments)

Price should include installation and team training on-site.	Yes / No
Service & operation manuals are included & the system's manufacturing date is not less than 2023.	Yes / No

Item #3: Medical Trolley:

Medical trolley with 4 Casters and 2 drawers.

Item #4: Medical Patient Examination Couch :

- Manufactured in epoxy-painted steel
- Top is upholstered and covered with washable plastic material
- Complete with a paper roll holder and I.V.
- Loading capacity up to 150kg
- Back section adjustment: 0~75°

Item #5: Blood Glucose Meter Kit, Vial of 200 strips included.

Item #6: Medication Cart with drawers:

- Warranty: 2 years.
- Type: General medicine clinic medication cart.
- Drawers: Six, varied sizes, lockable.
- Material: Durable, easy to clean.
- Mobility: Non-marking casters with locks.
- Security: Central locking, tamper-proof.
- Design: Ergonomic, flat work surface.
- Power: Optional power supply.
- Labeling: Clear label holders.
- Compliance: Meets healthcare standards.

Item #7: X-RAY Viewer:

- Channels: Two independent viewing channels.
- Warranty: 2 years.
- Display: High-resolution LED backlight.
- Size: Suitable for various X-ray film sizes.
- Brightness Control: Adjustable for optimal viewing.
- Material: Durable, easy-to-clean construction.
- Mounting: Wall-mounted
- Power Supply: Energy-efficient with 220- 240 V.
- Controls: Intuitive user interface for easy operation.
- Certifications: Compliance with medical standards.

Item #8: Finger Pulse Oximeter:

- Warranty: 2 years
- Measurement Parameters: SpO2, Pulse Rate
- Display: LED or OLED
- Accuracy: $\pm 2\%$ for SpO2, ± 1 bpm for Pulse Rate

- Power: Battery-operated
- Design: Lightweight, portable
- User Interface: One-button operation

Item #9: Nebulizer:

- Warranty: 2 years
- Type: Compressor or Ultrasonic
- Power Source: Electric or Battery
- Particle Size: Fine for effective inhalation
- Capacity: Standard medication doses
- Mask Type: Suitable for Adult and Pediatric Masks
- Design: Compact and Portable
- Safety: Overheat Protection

Item #10: Reclining Wheelchair:

- Warranty: 2 years
- Recline Range: 90° to 170° for versatile comfort.
- Adaptability: Effortless transition, catering to various user preferences.
- Purpose: Ideal for rest, relaxation, and peaceful napping.
- Safety: Secure locking mechanism ensures stability in the reclined position.
- Material: Durable and comfortable upholstery for prolonged use.
- Design: Ergonomic structure prioritizes user comfort.
- Control: Easy-to-use recline adjustment mechanism for convenience.
- Accessibility: Suited for users with diverse needs and preferences.
- Versatility: Adaptable for different settings within the clinic.
- Durability: Sturdy construction ensures long-lasting performance.
- Maneuverability: Smooth mobility for ease of use.
- Dimensions: Compact design for efficient space utilization.

Item #11: Oxygen Generator:

- Warranty: 2 years
- Oxygen Output Capacity: 10 liters per minute.
- Dual Flow Channels: Capability to supply oxygen to two users simultaneously.
- Oxygen Purity: Ensures a high level of purity for medical use (95% \pm 2%)
- Adjustable Flow Rates: Flexible settings to meet varied patient requirements.
- Operation Mode: Continuous and stable oxygen supply.
- Noise Level: Low decibel output for a quiet operational environment.
- Compact Design: Space-efficient for clinic use.
- Mobility: Portable with easy maneuverability within the clinic.
- User Interface: Simple controls for ease of operation.
- Safety Features: Built-in mechanisms to ensure safe oxygen delivery.
- Durability: Robust construction for long-term and reliable performance.
- Compliance: Meets relevant medical standards and regulations.

Item #12: Oxygen O2 Cylinder:

- Oxygen Capacity: 18 kg
- Regulator Type: Adjustable flow
- Pressure Gauge: Included
- Flow Control: Adjustable
- Durability: High-quality construction, Meets standards.
- Certifications: Compliant

Item #13: Weighing Scale with a Height Meter:

- Warranty: 2 years
- Capacity: Suitable for a wide range of weights
- Measurement Units: Both metric and imperial units

- Accuracy: High precision
- Height Measurement: Integrated height meter
- Display: Large, easy-to-read LCD
- Platform: Stable and non-slip
- Material: Durable construction
- Power Source: Mains or battery-operated
- User Interface: Simple controls
- Certifications: Compliant with relevant standards
- Additional Features: auto-zero function

Item#14: Wall-mounted Oto-Ophthalmoscope:

Brand name.

3 years warranty, 10 years availability of spare parts.

Origin: Brand name USA, EURO, Japan

Type: Wall-mounted Oto-ophthalmoscope.

Application: Used in general medicine clinics for ear and eye examinations.

Optical System:

- Illumination Source: LED or Halogen light source.
- Brightness Control: Adjustable brightness for accurate examination.
- Lenses: Swiveling lenses for various magnification levels.

Design and Construction:

- Mounting: Wall-mounted design for space-saving and convenience.
- Material: Durable and easy-to-clean materials.
- Flexibility: Adjustable arm for easy positioning during examinations.

Examination Features:

- Dual Functionality: Combines otoscope and ophthalmoscope functions.
- Filters: Interchangeable filters for different examination needs.

Operational Features:

- Switch Control: Convenient switch for toggling between otoscope and ophthalmoscope.

- Power Source: Electrically powered with an option for battery backup.
- Auto Shut-off: Energy-saving feature with automatic shut-off after a specified time.

Safety Measures:

- Light Shield: Integrated light shield to prevent unnecessary exposure.
- Hygiene: Easily cleanable surfaces to maintain hygiene standards.

Compliance and Certification:

- Regulatory Compliance: Meets relevant medical device regulations.
- Certifications: CE, FDA, or equivalent certifications.

Additional Considerations:

- Training: Provision of user training for medical staff.
- Documentation: Comprehensive user manual and documentation.

السعر يشمل التوريد والتركيب ويجب أن يتم توضيح جميع متطلبات التركيب في عرض السعر من مساحة وملحقات ومتطلبات
