King Talal secondary school, Nablus, Palestine / 2000

Thesis

"The effect of shortening post length on the fracture resistance of endodontically treated teeth".

- **Supervisors:**

Dr. Eshamsul Sulaiman

Professor Abdul Aziz Abdul Razak

- ***Conference Papers***

N.Z. Arandi, **E. Sulaiman**, A.A.A. Razak, 2008. Fracture Resistance of Post-restored Endodontically Treated Maxillary Incisors. 22nd IADR (SEA Division) & 19th SEAADDE Annual Scientific Meeting, 8-10 October 2008, Manila, Philippines, Program and Abstract Book pg.70' ((Awarded the 1st place best paper award by the International Association of Dental Research / South East Asia Section)).

N.Z Arandi, E.Sulaiman, A.A.A Razak. Fracture resistance endodontically treated maxillary incisors. 6th Palestinian dental conference, Jericho, Palestine. April, 2009. Program and Abstract Book

- ***Conference Posters***

N.Z Arandi, E.Sulaiman, A.A.A Razak, 2008. The Effect of Shortening Post Length on Fracture Resistance of Endodontically Treated Teeth. 7th Scientific Meeting IADR - Malaysian Section, 23 February 2008, UiTM Shah Alam, Programme and Abstract Book

Work Experience

- **Dean's Assistant**

Faculty of Dentistry, Arab American University. 1/8/2020 – Present

- **Associate Professor– Full time**

Department of Conservative Dentistry, Faculty of Dentistry, Arab American University.
26/1/2022 - Present

- **Assistant Professor– Full time**

Department of Conservative Dentistry and Prosthodontics, Faculty of Dentistry, Arab American University. 1/10/2016 – 25/1/2022

- **Lecturer – Full time**

Department of Conservative Dentistry and Prosthodontics, Faculty of Dentistry, Arab American University. March/2016 – September/2013

- **Lecturer- Part time**

Department of Conservative Dentistry, Faculty of Dentistry, Al-Quds University. September/2009 – September/ 2013.

- **Private practice**

Nablus- Palestine. 2009 – Present.

- **Internship**

Faculty of dentistry – AAUP. 2005-2006

Licensure

Palestinian dental license

Teaching

Undergraduate

- **Theory**
 - **Advanced science of dental materials course** for 3rd year dental students
 - **Oral and teeth anatomy course** for 2nd year dental students
 - **Conservative dentistry I course** for 3rd year dental students
 - **Conservative dentistry IV course** for 4th year dental students
- **Labs**
 - **Preclinical conservative dentistry I** for 3rd year dental students
 - **Oral and teeth anatomy labs** for 2nd year dental students
- **Clinics**
 - **Conservative dentistry clinics** for 4th year dental students
 - **Conservative dentistry clinics** for 5th year dental students

Graduate courses

- **Biomaterials course** – Orthodontics residency program.

Community Service

- **University Level**
 - ADEE accreditation project: Curriculum development committee (Head) 2021-present
 - Teaching assistant intake committee (Head), Faculty of Dentistry, AAUP, 2020/2021
