

## **Iman A.H.Qoraan**

### **Address:**

Home: AL-Bireh, Saloon Al shaab, Nidal st. , Near Al Bireh Family Revive Association  
Tel: 00972-2406303, Cep tel: 0595091906 Email: iman.qoraan@aaup.edu.

### **Educational Background:**

-2011-2015: PhD in Medical Microbiology, Eskishehir Osmangazi University-Turkey.  
Supervised by Pof.Dr.Yasemin OZ.

(Funded by BAP- Eskishehir Osmangazi university-Bilimsel Araştırma Projeleri).

-2002-2006: Master degree in Medical Laboratory Sciences Birzeit University Palestine  
. Supervised by Dr.Mohammad Farraj.

-1990-1994: BSc in Medical Laboratory Sciences Al-Quds University-Palestine.

-2008-2009: Intensive English Education Miami-University-Florida, USA.

-2010-2011: Intensive Turkish Education, Ankara University-Ankara, Turkey.

### **Languages:**

English: very good

Turkish :very good

### **Employment:**

-2022-present: Head of microbiology and immunology department. Faculty of Medicine,  
Arab American university, Jenin.

-2019-2021: Dean's assistant for Development, Basic Medical Sciences unit, Arab  
American University, Jenin.

-2015-2019: Professor assistant of medical microbiology. Faculty of dentistry, Arab  
American University, Jenin.

-2008-2010: Head of development department. Medicare-medipal Ramallah

-2003-2007: Laboratory senior technician. Medicare-medipal Ramallah

-1997-2003: Laboratory technician. Medicare-medipal Ramallah

-1994-1997: Laboratory technician. Red Crescent Hospital-Albireh

### **Teaching experience:**

-Microbiology and infection control for neonatal and adult nursing master programs, Arab American University, Ramallah.

-Oral microbiology and immunology for oral surgery master program, Arab American University, Ramallah.

-Microbiology and immunology for dental students, Arab American University, Jenin.

-Oral microbiology course and lab for dental students, Arab American University, Jenin

-General microbiology for medical students, Arab American university, Jenin.

-Systemic Microbiology in integrated courses of 2<sup>nd</sup> and 3<sup>rd</sup> year medical students, Arab American university, Jenin.

-Immunology for medical students, Arab American university, Jenin.

-Microbiology course and lab for optometry students. Arab American university, Ramallah.

-Microbiology for nursing, Arab American University , Jenin.

-Basic microbiology course& lab for medical laboratory students, Arab American university, Jenin.

### **Academic achievements:**

-Had done a research about In vitro antifungal susceptibility of tinea pedis agents and toenail onychomycosis in type 2 diabetic patients. Presented in the Gulf congress of clinical microbiology and Infectious diseases, GCCMID, Dubai,2016 & published in international journal of dermatology, 2016, doi: 10.1111/ijd.13402.

-Had done a research about The In vitro biofilm formation of different Candida species isolated from blood and their resistance antifungal resistance. Presented in the Gulf

congress of clinical microbiology and Infectious diseases, GCCMID, Dubai,2016& published in microbiology research journal,2017, DOI: [10.4081/mr.2017.6916](https://doi.org/10.4081/mr.2017.6916).

- Had done a research about In vitro activity of different 5-nitroimidazole derivatives and natural oils against *Trichomonas vaginalis*. Presented in the 17<sup>th</sup> international congress on infectious diseases. Hyderabad India 2016. Published in International journal of infectious diseases,2016.
- Had done a research about The Investigation of **Pneumocystis Jirovecii** Colonization in Adult Individuals of Turkish Population. Journal of Epidemiology and Infectious Disease,2017.
- Had prepared a poster about Vancomycin and Teicoplanin Susceptibility Trends Analysis to *Staphylococcus* species in a University Hospital During Four Year Period. Presented in the 36 Turkish Conference of microbiology. Antalya, Turkey, 2014
- Had done a poster presentation on the Routine identification of *Microsporum ferrugineum* as a rare cause of Tinea corporis. Conference of clinical microbiology. Antalya Turkey, 2015 & the case study is published in Eskisehir Osmangazi journal of medicine,2016.
- Had done a poster of electronic presentation Prevalence of *Blastocystis* spp. among patients referred to Eskisehir Osmangazi University Hospital during the 2010-2014.years.13<sup>th</sup> international congress of Parasitology. ICOPA, Mexico, 2014.

### **Attended conferences:**

- VI Central Asian International Forum "TRANSNATIONAL COOPERATION IN THE GLOBAL EDUCATIONAL SPACE.ALMATY,2022.
- 3<sup>rd</sup> national Conference of clinical microbiology in Antalya , Turkey . 2015 .
- 36 Turkish Conference of microbiology in Belek-Antalya , Turkey, 2014.
- 2<sup>nd</sup> national Health professions Conference of graduate students and Student stem cells symposium. Kuşadası-İzmir Turkey , 2014.
- The International Students Academic Seminars .Turkey ,2014.

### **Committees participated:**

- Medical and health sciences technical committee. Ministry of higher education, Ramallah.
- Development committee. Faculty of medicine, Arab American university, Jenin.
- Curriculum and study plans committee. Faculty of medicine. Arab American university, Jenin.

### **Academic awards and distinctions:**

- Received the Best Leader award in the University of Miami, Intensive English Program, 2008.
- Received the Best Leader award in Medicare-Medipal Pathology Consultants, Palestine , 2008.
- Received the Turkish scholarship for doctoral program.2010.
- Received ACUF award for the “Best Palestinian doctoral student in Turkey of the year 2014 .

### **Skills:**

- Time management
- Organization
- Team leadership
